Harbour Craft Satin Smooth Fiberglass Door System

DOOR

- Smooth Fiberglass Door Slab
- HCFC free polyurethane foam insulation
- Will not dent, rust, scratch or crack like other materials
- Doors are raw fiberglass (unfinished unless painted or stained)

DOORLITES

- Available in various sizes, styles, and glass frame materials
- Glass Frames are painted to match door colour chosen

SIDELITES

- Available in 12" and 14"

JAMB

- Available in Primed Wood, Vinyl Wrapped Wood (int.& ext), and RocSolid PVC
- Matching Brickmould available in all jamb species
- Available in 3 depths 4-9/16", 6-9/16" or 7-1/4", or 7-5/8"

WEATHER-STRIP, CORNER PADS AND SWEEP

- Weather strip and Corner Pads available in White or Black

SILLS

- Adjustable sill and composite substrate protects from air, water, rotting and warping. French Double Doors come with a Articulating sill that automatically self-compensates +/- 1/8" to create the perfect seal

HINGES

- Standard ball bearing hinges. Self closing option available
- Available in Satin Nickel, Matte Black, Stainless Steel

SLIDING SCREENS

- Available on double doors only.

DOORSMITH® 10 YEAR WORKMANSHIP AND WARRANTY

Doorsmith® warrants to the original consumer purchaser that our unfinished, primed Exterior Doors and Interior Doors will be free from defects in material and workmanship under normal use for a period of ten (10) years from date of purchase.

Doorsmith® warrants to the original purchaser that our Painted Exterior Door systems will be free from Defects in the paint under normal use for a period of five (5) years from date of purchase. Doorsmith® warrants that the paint will not crack, peel or blister, that any fade will be even and not be detrimental to the appearance of the building and that any fade will be within 5(delta)E of the original customer specification.

Doorsmith® warrants to the original purchaser that our Stained Exterior Door systems will be free from Defects in the stain under normal use for a period of five (5) years from date of purchase. Doorsmith® warrants that the stain will not crack, peel or blister. In order to maintain warranty coverage, the Stain topcoat must be re-applied annually.

Doorsmith® may elect to replace any defective Doorsmith® product covered by our Warranty. Any other door or accessory distributed by Can-Save that are not Doorsmith® proprietary product, the warranty will default to original manufacturer's warranty coverage. Warranty policies of Doorsmith® vendors for doors are available on our website and available on request.

Doorsmith® will not provide after-market SERVICE or INSTALLATION of any door or accessory. If Doorsmith® is liable under the warranty claim, they will arrange replacement ONLY of the part required due to defective workmanship and will not be responsible for SERVICE or INSTALLATION of the replacement part.

If a warranted product is no longer available, the manufacturer, at its absolute discretion, may replace the warranted product with a substituted item which would be as close as possible in dimension / function and colour. The manufacturer however, cannot guarantee that the replacement item will be exactly the same in all aspects when compared with the original item.

EXCLUSIONS

This warranty does not apply in relation to any damage to the warranted products caused by any of the following;

- Improper installation or service of the doors and related accessories
- Wear and tear suffered through normal use (including scratches and cuts) or damage caused by impacts or accidents; insufficient or improper care
- Discolouration or damage caused by exposure to intensive or excessive light including ultra violet light, moisture or heat; alterations, modifications or use of the warranted products which is beyond or inconsistent with the supplied product instructions and which has not been authorized by Doorsmith®; OR
- The natural aging or darkening of wood color, the inherent growth characteristics of, or variation in wood. (We believe this is the beauty of nature and not a defect. Every attempt has been made to ensure that the colours of the door finishes on the Doorsmith® website are as close to the actual finishes as provided by the paint / stain chips

HOW DO YOU MAKE A WARRANTY CLAIM?

To obtain replacement under the limited warranty, first contact your authorized Doorsmith® dealer or distributor. If the dealer / distributor are not available, feel free to submit the required information to Doorsmith®.

We can respond quickly and efficiently if you provide the following: a) date and location of the purchase (most helpful would be original bill of sale showing invoice number / sales order number), b) how and the best time to contact you and c) a description of the issue and the product (photographs are most helpful). You can download the warranty form, as supplied, which will help document the apparent problem and expedite the warranty process.

You can contact us as follows:

VIA E-MAIL: warranties@doorsmith.ca

VIA FAX: 1-800-668-6886 OR

VIA PHONE: 1-800-461-5411
